

## PORTAFOLIO

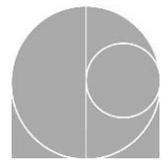

El presente documento recoge de manera sintética y de modo gráfico, la experiencia profesional, académica y de algunas publicaciones a lo largo de la trayectoria en el campo profesional de la arquitectura, ligada a la actividad en las aulas universitarias.

Se pretende mostrar el accionar del arquitecto, la relación entre boceto, proyecto y realidad, al igual invita a que éste documento genere de algún modo “memoria individual”, para ser expuesta a un colectivo, en los procesos relacionados con ésta maravillosa profesión.
