Presentación

En el Municipio de Pasto, en el año 2002, se creó la “Red de Escuelas de Formación Musical”, un proyecto con propósito social y cultural enfocado desde las artes musicales, que busca generar oportunidades pedagógicas, ocupacionales y éticas a la juventud y la niñez. Quienes iniciaron fueron niños y niñas entre siete y catorce años, los cuales debían cumplir con un único requisito: estudiar en instituciones de carácter público.

Este proyecto acercó a sus beneficiarios a instrumentos sinfónicos como el violín, la viola, el violonchelo y el contrabajo, instrumentos hasta entonces desconocidos en nuestro contexto.

Muchas experiencias resultaron de aquel entonces; una de ellas fue la presentación de resultados en un periodo de tiempo no superior a cinco meses, lo cual desencadenó la necesidad de escribir material didáctico para ensambles rápidos de estos instrumentos.

Desde mi experiencia y compromiso como docente y directivo, tuve la oportunidad de componer diez obras para pre-orquesta de cuerdas sinfónicas, Misa I y Misa II y, finalmente, diez obras para pre-orquesta de cuerdas sinfónicas vol. II.

Este camino personal y musical es el hilo conductor que me motiva a presentar la “Misa I” para su divulgación como material de estudio y aporte pedagógico en donde quiera que se desarrollen procesos musicales de carácter formal y no formal, a fin de contribuir no solamente a la formación, sino también a despertar en los niños y niñas el amor por la música.

Ángeles de Dios

Ángeles de Dios

Si tú sientes cerca un barullo y no sabes qué es.
Es un ángel llegando, aunque no lo ves.
Para acercar nuestras oraciones a Dios.
Sin más, abre el corazón y comienza a cantar.
Que no hay gozo más grande que el amor celestial.
Y los ángeles ya vienen a celebrar

Sí, vuelan los ángeles en el lugar.
En medio de todos y sobre el altar.
Trayendo las manos llenas de bendiciones.
No sé si el cielo bajó o qué fue lo que pasó.
Yo sé que está lleno de ángeles.
Y que el mismo Dios está aquí.

Si los ángeles vuelan, la iglesia se alegra.
Todos cantan y lloran, y las almas se elevan.
Se asusta el infierno, se aleja el mal.
Siente un ruido de alas, los ángeles vuelan.
Confía, hermano, que ha llegado la hora.
La hora de Dios y te quiere encontrar.

Sí, vuelan los ángeles en el lugar.
En medio de todos y sobre el altar.
Trayendo las manos llenas de bendiciones.
No sé si el cielo bajó o qué fue lo que pasó.
Yo sé que está lleno de ángeles.
Y que el mismo Dios está aquí.

Cómo no creer en Dios

Cómo no creer en Dios

Yo te llevo desde niño muy adentro.
Te encontraba en el pájaro y la flor.
En la lluvia, en la tierra y el silencio.
Y en mis sueños, cada noche, estabas tú.

Desde entonces quiero darte siempre gracias.
Porque puedo darme cuenta de tu amor.
Beberé de tu cuerpo y de tu sangre.
Y por siempre te daré mi corazón.

Cómo no creer en Dios.
Sí me ha dado los hijos y la vida.
Cómo no creer en Dios.
Sí me ha dado la mujer querida.
Cómo no creer en Dios.
Sí lo siento en mi pecho a cada instante.
En la risa de un niño por la calle.
O en la tierna caricia de una madre, cómo no.

Cómo no creer en Dios.
Sí está en las viñas y en el manso trigo.
Cómo no creer en Dios.
Sí me dio la mano abierta de un amigo.
Cómo no creer en Dios.
Sí me ha dado la tristeza y la alegría.
De saber que hay un mañana cada día.
Por la fe, por la esperanza y el amor,
Cómo no.
