

Ibagué, June 21, 2022

To whom it may concern,

We certify that Dr. Eduardo Rojas has attended the Workshop “4th Colombian Workshop on flavor physics”, (<https://indico.cern.ch/event/889612/>), held from June 15 to June 18, 2022, Ibagué-Tolima, Colombia. Additionally, we certify that he presented the talk **“Flavored axions and the textures of the quark and lepton mass matrices”** and the wider audience talk **“Una breve historia de la física de partículas”**.

Best regards,

Carlos Eduardo Vera
On behalf of the Organizing Committee
